

Your Bridge to the Future

BALTIMORE **SC2002** NOV 18-22

Baltimore Convention Center NEW!! Student Days

High performance networking and computing

◆ **Wednesday and Thursday, November 20 & 21, 2002.** Events and activities showcase exciting careers in high performance computing, including education, research, and industry.

◆ **From TERABYTES TO INSIGHTS:** Participants from around the globe will once again gather to showcase new developments in information architectures, scalable computing, data analysis, applications, and collaborative technologies. But beyond the cool exhibits, the faster-than-lightning computer systems, and the eye-popping simulations, SC2002 will provide a vision of the changes that will impact our lives and our world in the years to come.

◆ **Free registration!!** Includes lunch and snacks for both days.

◆ **Free admission** to exhibits and seminars @ SC2002 for both days.

◆ **Travel** is individual's responsibility
