

# Student Day at SC2003

## High-Performance Computing & Networking Career & Educational Opportunities!

Phoenix, AZ Convention Center  
SC2003: Nov. 15 – 21, 2003  
Student Day: Nov. 19, 2003

SC2003 continues the 15-year Supercomputing Conference tradition of highlighting the most innovative developments in high-performance computing and networking. Bringing together scientists, engineers, researchers, educators, programmers, system administrators and managers, SC2003 in Phoenix will demonstrate how these developments are sparking new ideas and new industries, as well as rekindling older ones.

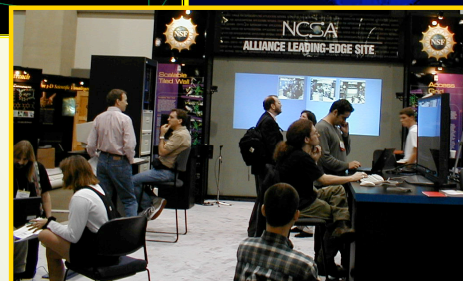

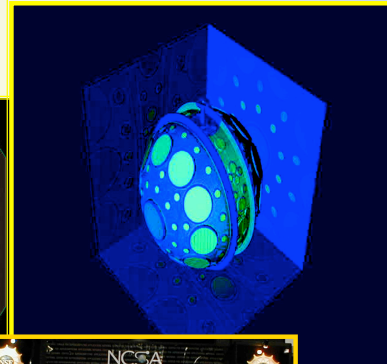

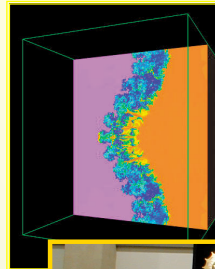

### Student Day at SC2003

- ◆ **Events and activities** showcase exciting careers in high-performance computing, including education, research, and industry.
- ◆ **Free registration!!** Includes lunch and snacks for the day.
- ◆ **Free admission** to exhibits and seminars @ SC2003 for the day.
- ◆ **Travel** is individual's responsibility.

#### Some Industry & Research Exhibitors:

Apple Computer Inc.	IBM Corp.
Compaq Computer Corp.	Intel Corp.
Dell Computer Corp.	NEC Corp.
Hewlett-Packard	Raytheon Co.
Hitachi Ltd.	Sun Microsystems Inc.

Krell Institute  
Lawrence Livermore National Laboratory  
Los Alamos National Laboratory  
National Computational Science Alliance  
Sandia National Laboratories

### Student Day Program (access web site below for additional information and registration)

#### Tuesday, November 18, 2003

7:00 - 8:00 PM Reception: Network with representatives in High-Performance Computing (HPC) and hear about Wednesday's agenda

#### Wednesday, November 19, 2003

10:00 - Noon	Visit SC2003 exhibits
Noon - 1:00 PM	Lunch: Network with Career Fair participants and panel members
1:00 - 5:00 PM	HPC Career Fair
1:00 - 3:00 PM	Interviewing Techniques Panel
3:00 - 5:00 PM	HPC Technical Presentations Panel

SC2003 Information and registration will be available soon at:
